CAMPING AT WILLOWBROOK FARM CAMPSITE

We are delighted that you will be camping with us. We hope this letter will provide you with more information about the FEAC Raw Camp Experience.

Why do they come?

"Staying away for a few days or more is a powerful way of developing key life skills, building confidence, self-esteem, communication and team working."
Learning Outside the Classroom / lonooto DCSF

Earth and sky, woods and fields, lakes and rivers, the mountain and the sea, are excellent schoolmasters, and teach some of us more than we can ever learn from books. John Lubbock

At the FEAC Camp we will cover areas of holistic learning, which cannot be done in an artificial learning space – the classroom. The students will have an enjoyable and valuable time, both educationally and for the social learning and excitement of being away from home and living with friends in a secure and. happy environment. You will benefit most from a campsite infused with an Islamic spirit and ethos learning at every stage whilst having fun.
